

## Home Alone

In order for the bus to leave a child at home without adult supervision, the child **MUST** be at least 8 years old or he must be accompanied by a 12 year old or older sibling.

Example: My son is 7 years old and his Sister is 11. The children will not be let off of the bus without an adult present. If given permission, the 11 year old may get off of the bus by herself.
